CARDHOLDERS RECEIVE HELP IN THESE TWO AREAS:

 **For common chronic medications**, receive subsidies of up to 87.5% with no dollar cap, based on the card status.

 **For other services (e.g. consultations, investigations) and medications**, receive subsidies of up to \$135 per visit and \$360 per year.

At every visit, CHAS/PG/MG cardholders can choose to either tap on subsidies under the existing CHAS Chronic Tier, or the new Healthier SG Chronic Tier.
